JavaScript | React | HTML | CSS | REST APIs | MongoDB | MySQL | GraphQL | Express | Node | jQuery | Bootstrap

Projects

GitFund | https://github.com/RyStreet/git-fund | https://git-fund.herokuapp.com/
- Summary: MERN Stack. Crowdfunding and collaboration platform where developers can support developers. Users can post projects to receive donations and collaborate on each others' applications.
- Role: Full Stack. Built frontend with React, worked with a team on GraphQL operations, connected the frontend and backend.
- Tools: MongoDB, Express.js, React, Node.js, Semantic-UI, CSS, GraphQL, Apollo

**Text Editor | https://github.com/jkim011/jareds-text-editor |
https://jareds-text-editor.herokuapp.com/**
- Summary: PWA. Text editing application that can be installed and used offline. Behaves like a mobile app and can be used on any platform with a browser.
- Role: Backend development. Implemented IndexedDB to store data for offline capabilities, configured service workers and webpacks for installation
- Tools: JavaScript, HTML, CSS, idb, webpack

Experience

Service Associate   **2022-Present**
Target   **Cedar Park, TX**
- Work with a team to efficiently gather, organize, and deliver several hundreds of guest orders per day for curbside or in-store pickups in a fast paced environment
- Quickly and accurately perform transactions at the cash register and service desk for an average of a hundred guests a day

Key Accomplishments:
- Increased impulse purchases at the check lanes by keeping the product displays neat and reorganizing to fill up empty space
- Reduce clutter on the sales floors by collecting unpurchased baskets and misplaced products, then organizing them to be restocked in the proper areas
- Consistently deliver orders on time within the given time windows

Martial Arts Instructor   **2016-2020**
World Martial Arts Center   **Yorba Linda, CA**
- Worked with a team of instructors to teach martial arts and students from all walks of life and a diverse range of age groups.
- Organized and led daily classes of an average 80 students a day, and assisted in running quarterly belt graduations/fundraising events which contained several hundred attendees
- Ran front desk to provide customer service which included selling equipment and merchandise, providing information, and answering the company phone

Key Accomplishments:
- Received significant recognition award for showing outstanding leadership amongst team
- Increased signups to special seminars by promoting the benefits and value to students and the parents of young students
- Improved student attendance by planning tailored class schedules for students based on their own schedules and learning progression
