Portfolio: https://jkim011.github.io/JaredsPortfolio/

A Full Stack Web Developer hungry to apply problem solving skills to develop web applications that will solve real world problems. Received certification from UT Austin Full Stack bootcamp. Passionate about learning and always strives to improve skills in order to stay on top of a constantly changing industry. Strong attention to detail, communication skills, and effective in team settings due to background as a martial arts instructor.

Technical Skills

JavaScript, React, HTML, CSS, MySQL, MongoDB, Express, Node, jQuery, Bootstrap

Projects

GitFund | https://github.com/RyStreet/git-fund | https://git-fund.herokuapp.com/
- Summary: MERN Stack app. Crowdfunding and collaboration platform where developers can support developers. Users can post projects to receive donations and let others collaborate on it, and do the same for other posted projects.
- Role: Full stack. Worked both in front and back end connecting them.
- Tools: MongoDB, Express.js, React, Node.js, Semantic-UI, CSS, GraphQL, Apollo

Text Editor | https://github.com/jkim011/jareds-text-editor |
https://jareds-text-editor.herokuapp.com/
- Summary: PWA. Text editing application that can be installed and used offline. Behaves like a mobile app and can be used on any platform with a browser.
- Role: Worked on backend. Implemented IndexedDB to store data for offline capabilities, configured service workers and webpacks for installation
- Tools: JavaScript, HTML, CSS, idb, webpack

Social Network API | https://github.com/jkim011/jareds-social-network-api
- Summary: API for social network application where users can share thoughts, add friends, and add reactions to friends' thoughts. No frontend.
- Role: Built the entire backend.
- Tools: MongoDB, JavaScript, Express.js, Mongoose, Node.js, Moment.js

Experience

Service Associate   **2022-Present**
Target   **Cedar Park, TX**
Gather and deliver guest orders via curbside pickup in a high-paced environment.
Key Accomplishments:
- Worked with a team to help deliver hundreds of orders to customers a day
- Acknowledged for staying organized while working with multiple orders at once
- Efficiently delivered orders on time

Martial Arts Instructor   **2016-2020**
World Martial Arts Center   **Yorba Linda, CA**
Taught martial arts to students of all ages, working alongside other instructors.
Key Accomplishments:
- Taught to an average of over 50 students a day
- Praised for having solid attention to detail when teaching or performing techniques
- Acknowledged for leadership skills and ability to work efficiently with other team members
- Led and organized belt graduations and fundraising events with head master
