SUMMARY

Full Stack Web Developer ambitious to apply creativity and problem solving abilities to develop applications that solve real world problems. Versatile skill set using front-end technologies to build responsive, intuitive UI, and back-end technologies for efficient functions and database management. Maintains a growth mindset to stay adaptable in this constantly changing industry. Strong communication, teamwork, and attention to detail due to background as a martial arts instructor.

WORK EXPERIENCE

Service Associate   **March 2022-Present**
Target   *Cedar Park, TX*
- Work with a team to efficiently gather, organize, and deliver several hundreds of guest orders per day for curbside or in-store pickups in a fast paced environment
- Quickly and accurately perform transactions at the cash register and service desk for several hundreds of guests a day
- Restock low inventory sales floor items and organize items that were scattered or abandoned by guests
- Key Accomplishments:
  - Increased impulse purchases at check lanes by maintaining product displays and filling up empty space
  - Maintain an average of 70% of my guests using Target circle loyalty rewards or getting them to sign up
  - Consistently stay within the store goal of 3 minute order deliveries an average of 85% of the time

Martial Arts Instructor   **August 2016-March 2020**
World Martial Arts Center   *Yorba Linda, CA*
- Worked with a team of instructors to teach martial arts to students from all walks of life and a diverse age range.
- Organized and led daily classes of an average of 100 students a day, and assisted in running quarterly belt graduations/fundraising events which contained several hundreds of attendees
- Ran front desk to provide customer service which included selling equipment and merchandise, providing information, and answering the company phone
- Key Accomplishments:
  - Received significant recognition award for showing outstanding leadership amongst team of instructors
  - Increased signups to special seminars by 30% by promoting the benefits and values to students and their families
  - Improved attendance by 30-50% with tailored class programs based on a student's schedule and learning progression
